

StonePlace Bin Filling Guidelines

Use Bin for:

- ✓ General Clean Up
- ✓ Yard Waste
- ✓ Renovation Materials
- ✓ Moving Clean Up
- ✓ Construction Materials
- ✓ Roofing Materials

Do NOT use Bin for:

- ✗ Hazardous Waste - Flammable, Corrosive or Explosive
- ✗ Biomedical or Pathological Waste
- ✗ Paints, Oils or Propane Tanks
- ✗ Tires or Batteries
- ✗ Electronic Waste
- ✗ Appliances

Load to Top of Bin Only. Concrete, brick, asphalt and soils can only be disposed in 10 yard Bins, filled to half.

Failure to comply with guidelines may result in pickup delays and additional fees.

Bins placed beyond curb at Customer's risk and responsibility.

StonePlace is not liable for Bin placement liability, accidents or injuries while Bin is on Customer's site.
